**UNDER §37 CFR 1.181**

In response to the Notice of Abandonment, date mailed May 20, 2004, indicating that Applicant failed to pay the required issue fee and publication fee within the statutory period of three months from the mailing date of the Notice of Allowance, i.e. by April 15, 2004, Applicant states that the Notice was issued in error and requests withdrawal of the holding of abandonment.

As evidence that Applicant timely paid the issue fee, Applicant re-submits herewith copies of the Part-B Fee Transmittal and Fee Address Indication Form filed with the United States Patent and Trademark Office via first class mail on April 15, 2004. Applicant also submits herewith a copy of the stamped postcard returned from the United

States Patent and Trademark Office confirming receipt of the Issue Fee Transmittal on April 19, 2004.

Thus Applicant submits that the application was not abandoned and respectfully requests that this application proceed to issuance accordingly.

As authorized by the fee transmittal previously submitted on April 15, 2004, the issue fee, publication fee and \$18.00 fee for patent copies may be charged to the undersigned attorney's deposit account #50-1047.

Since this Notice was issued through error on the part of the United States Patent and Trademark Office, no fees are deemed necessary in connection with this request. However any fees or deficiencies may be charged to deposit account #50-1047.

Respectfully submitted,
